

Summary

Countries Emitting Highest Co2	Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to ..
--------------------------------	--------------------------------------	----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	----------------------------------

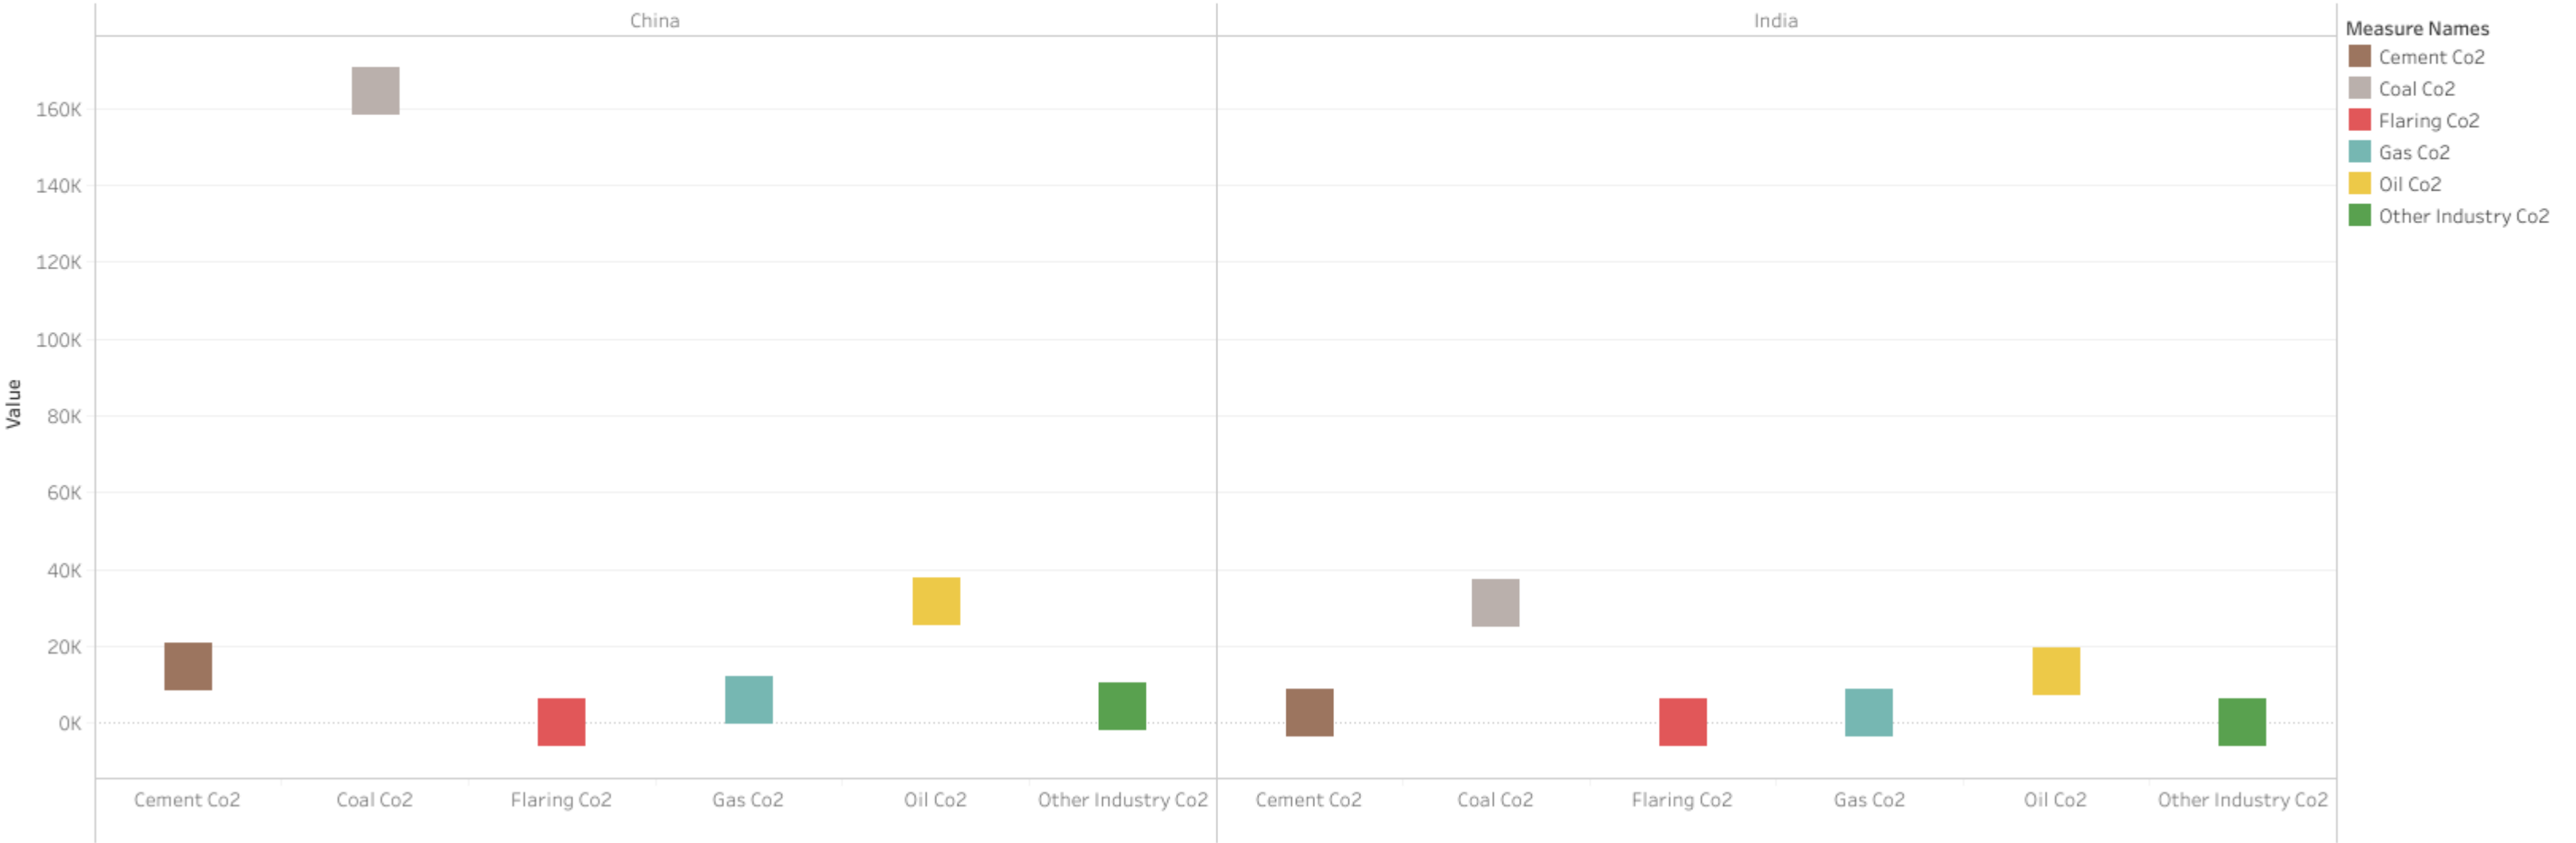

Summary

Continent Contribution due to C..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..		Cummulative Co2 and Co2 Per Capita Over Y..
-----------------------------------	---	---	--	--	--	---------------------------------	-------------------------------------	---	--	---

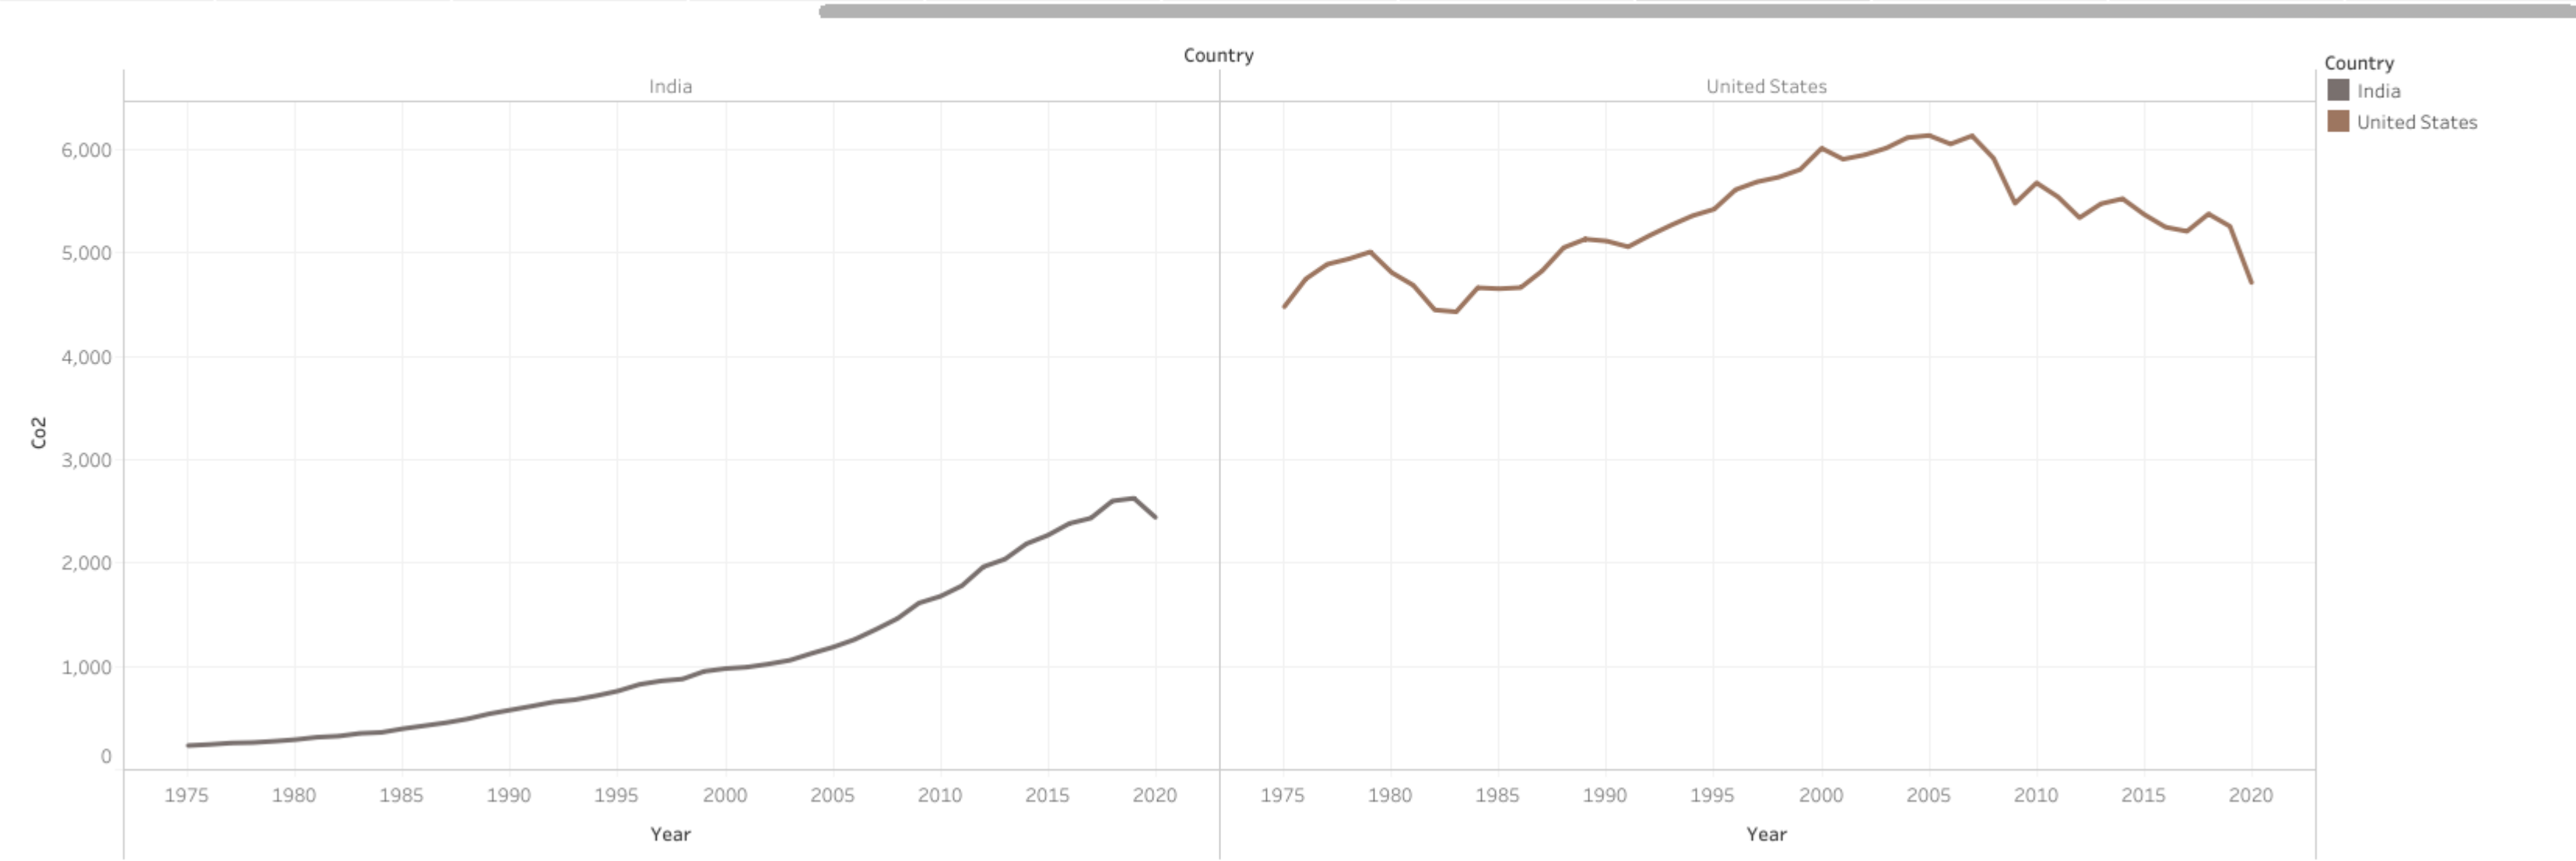

Summary

Continent Contribution due to C..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..		Cummulative Co2 and Co2 Per Capita Over Y..
-----------------------------------	---	---	--	--	--	---------------------------------	-------------------------------------	---	--	---

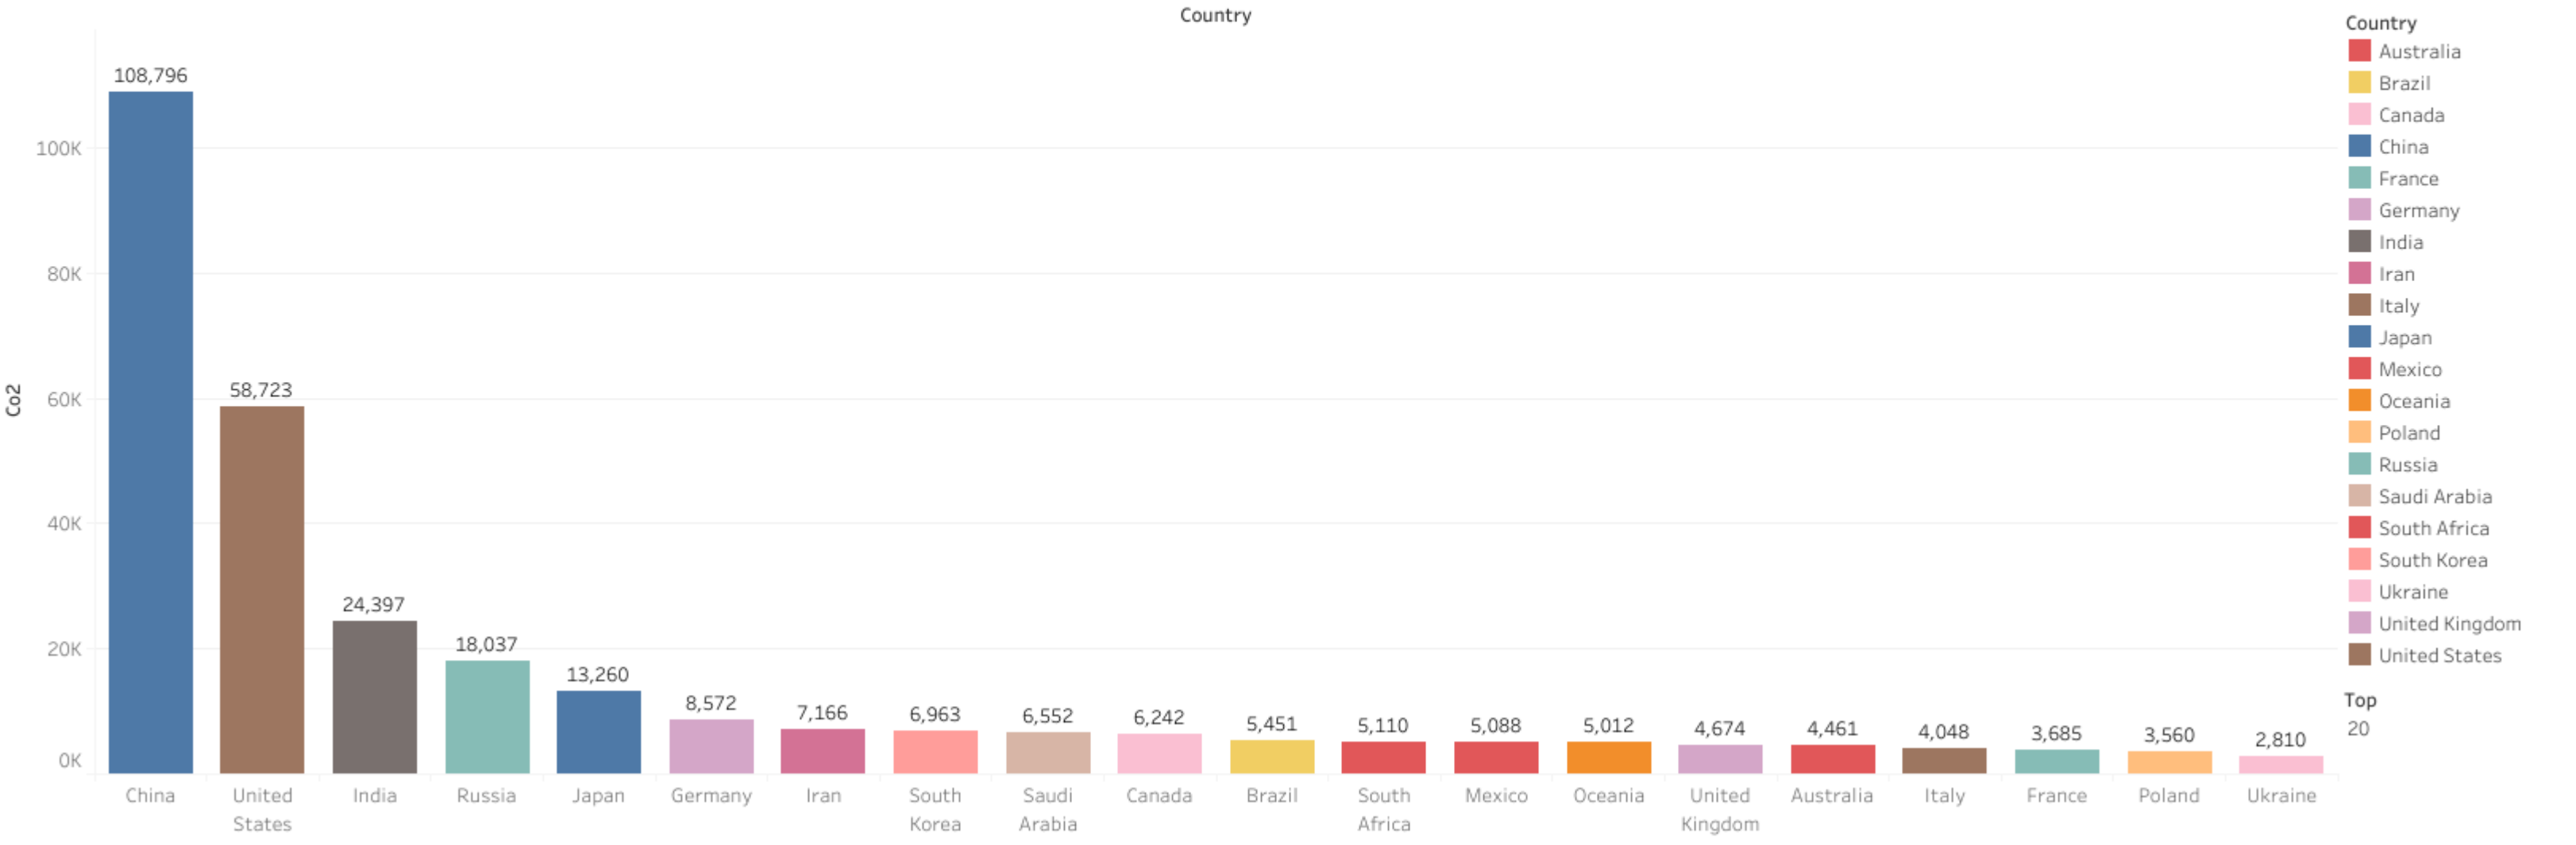

Summary

Continent Contribution due to C..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..		Cummulative Co2 and Co2 Per Capita Over Y..
-----------------------------------	---	---	--	--	--	---------------------------------	-------------------------------------	---	--	---

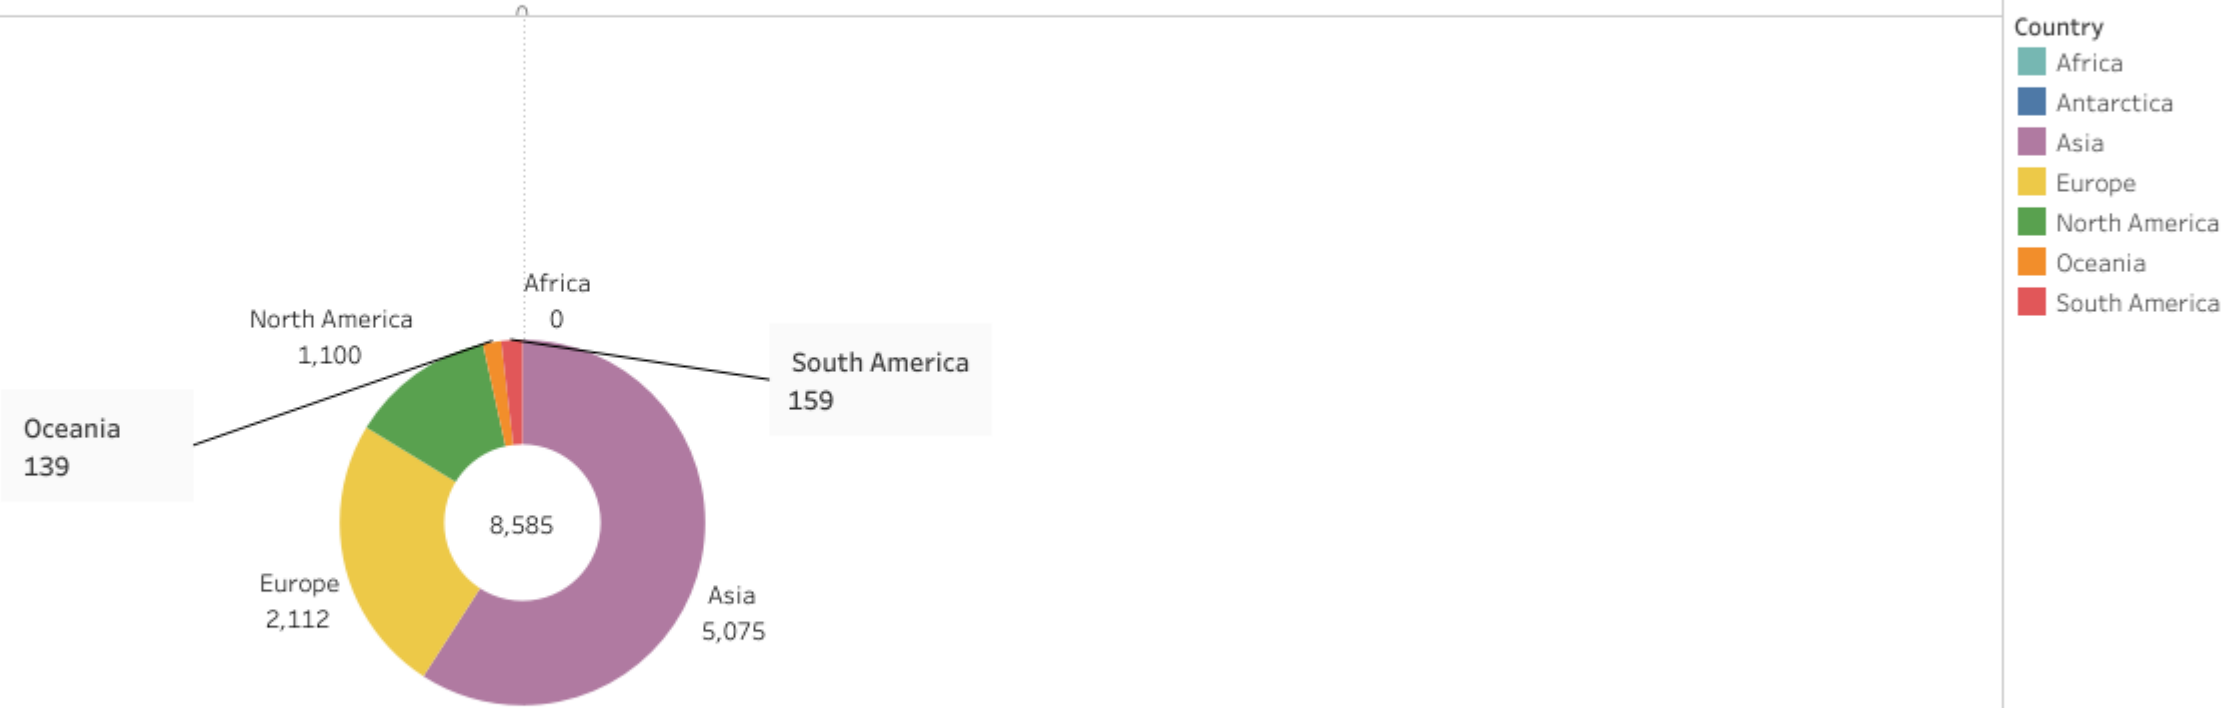

Summary

Continent Contribution due to C..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..		Cummulative Co2 and Co2 Per Capita Over Y..
-----------------------------------	---	---	--	--	--	---------------------------------	-------------------------------------	---	--	---

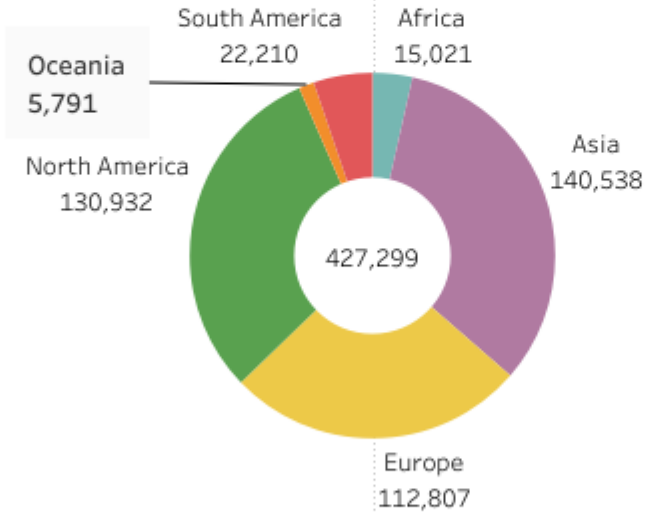

Summary

Continent Contribution due to C..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..		Cummulative Co2 and Co2 Per Capita Over Y..
-----------------------------------	---	---	--	--	--	---------------------------------	-------------------------------------	---	--	---

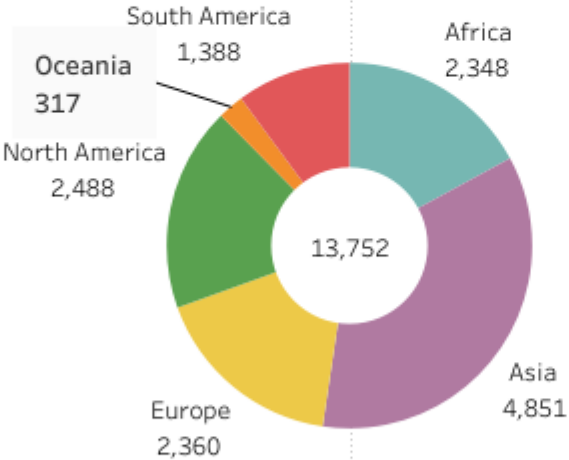

Summary

Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..	
--------------------------------------	--	---	---	--	--	--	---------------------------------	-------------------------------------	---	--

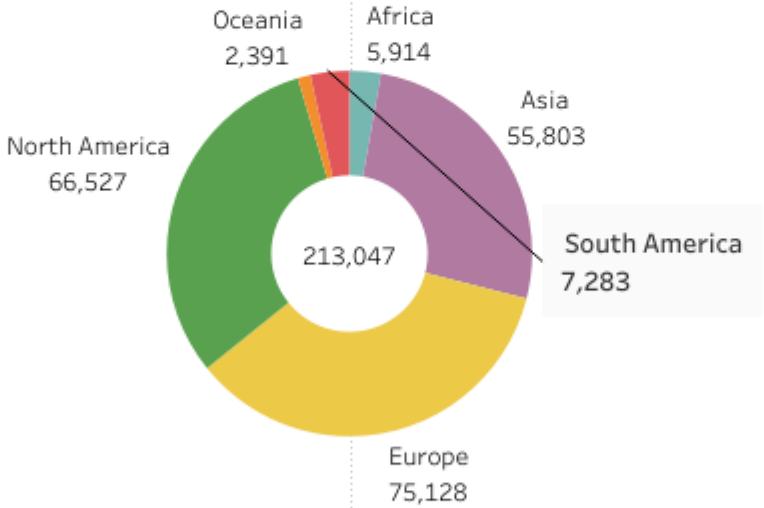

Summary

Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States	Overall Contribution by India and China in ..
--------------------------------------	--------------------------------------	--	---	---	--	--	--	---------------------------------	-------------------------------------	---

Summary

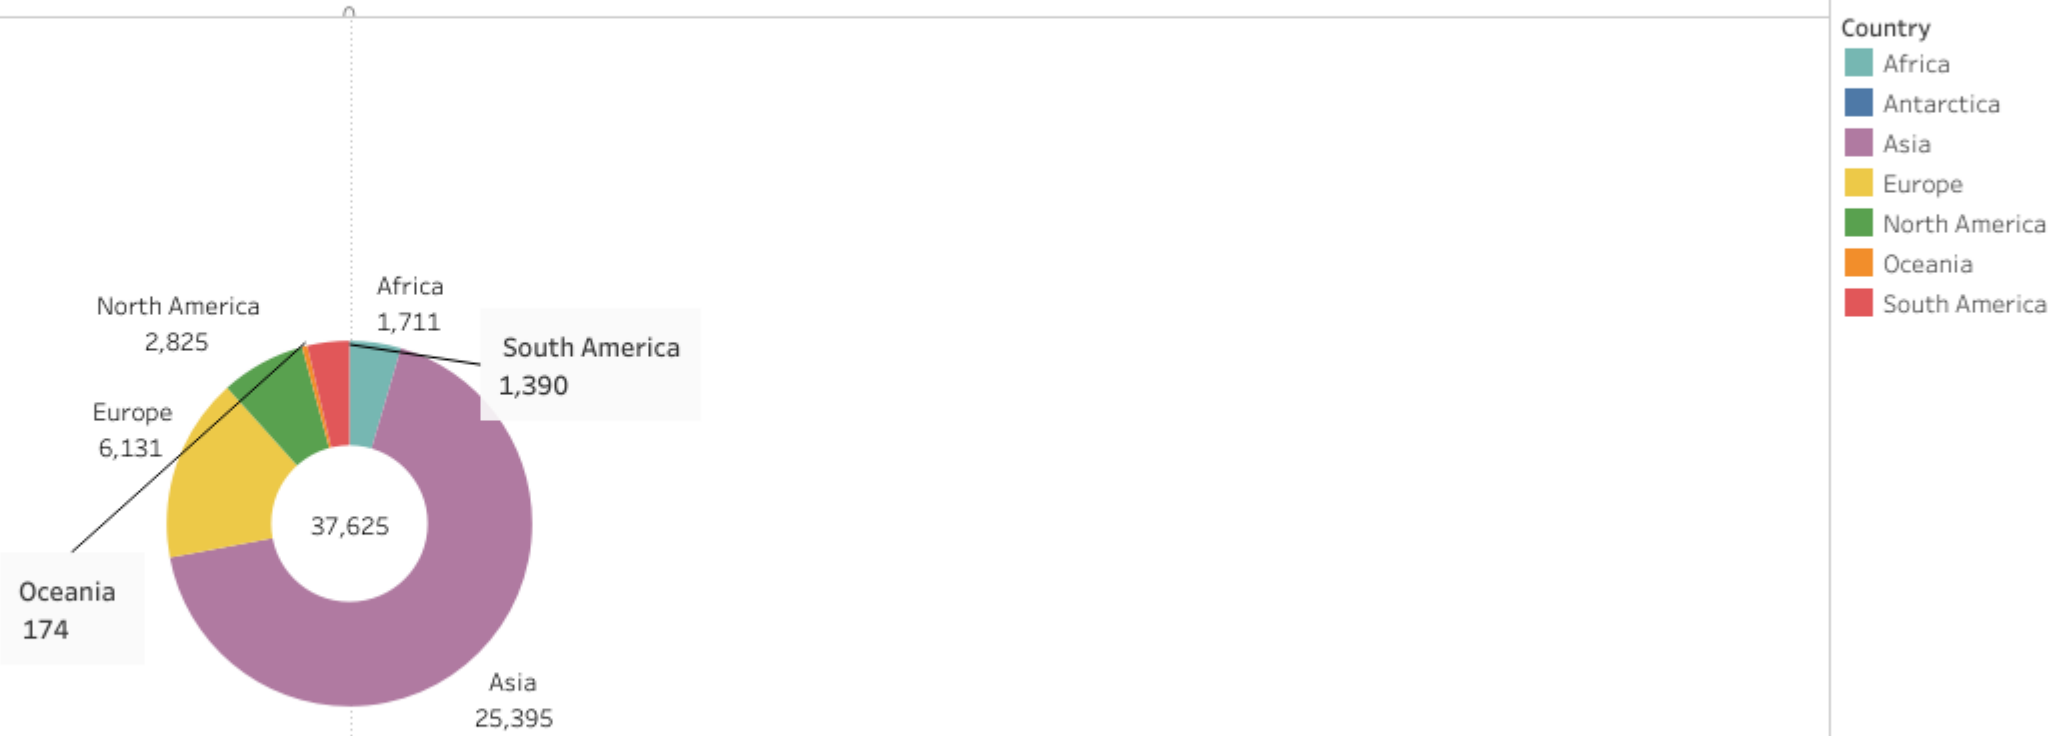

Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years	Co2 Emission India VS United States
----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	--	---------------------------------	-------------------------------------

- Country
- Africa
 - Antarctica
 - Asia
 - Europe
 - North America
 - Oceania
 - South America

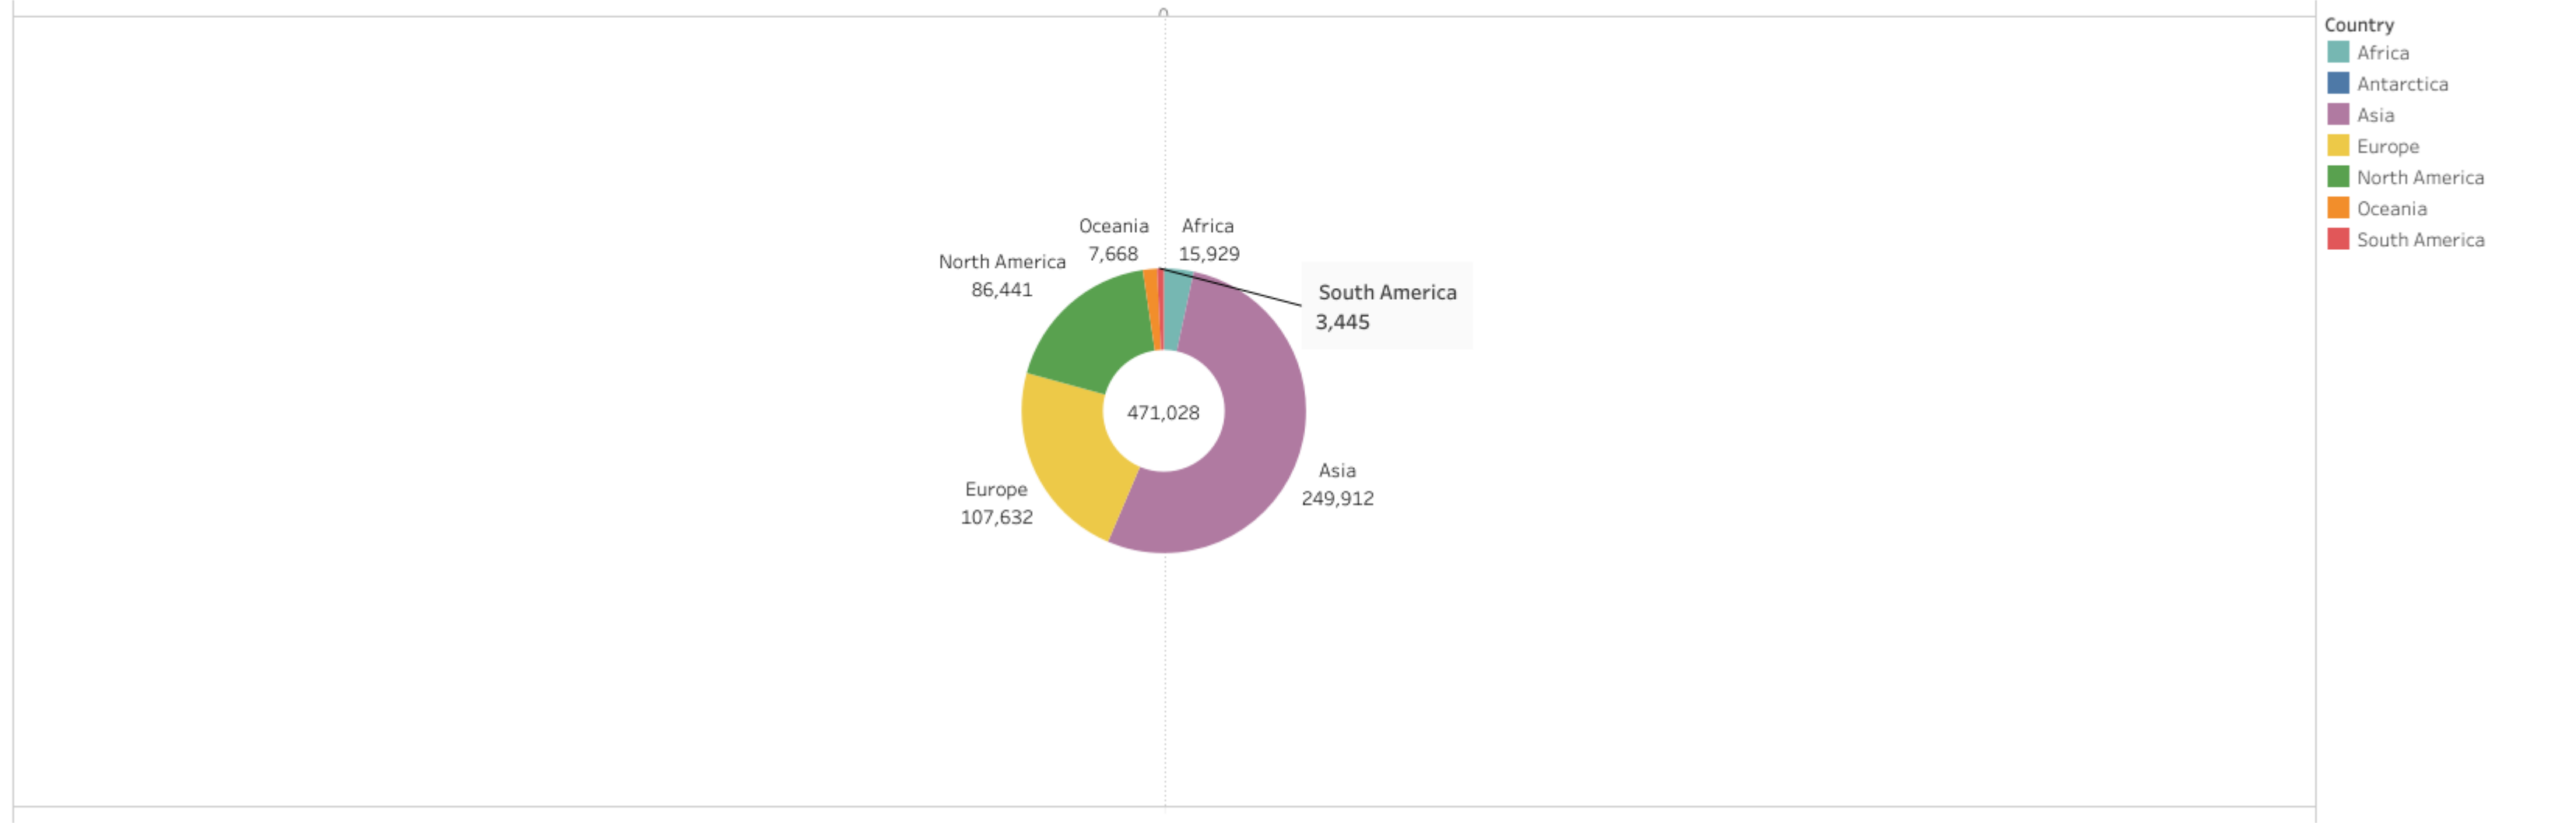

Summary

Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..	Co2 Emission Over Past 10 Years
--------------------------------------	----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	--	---------------------------------

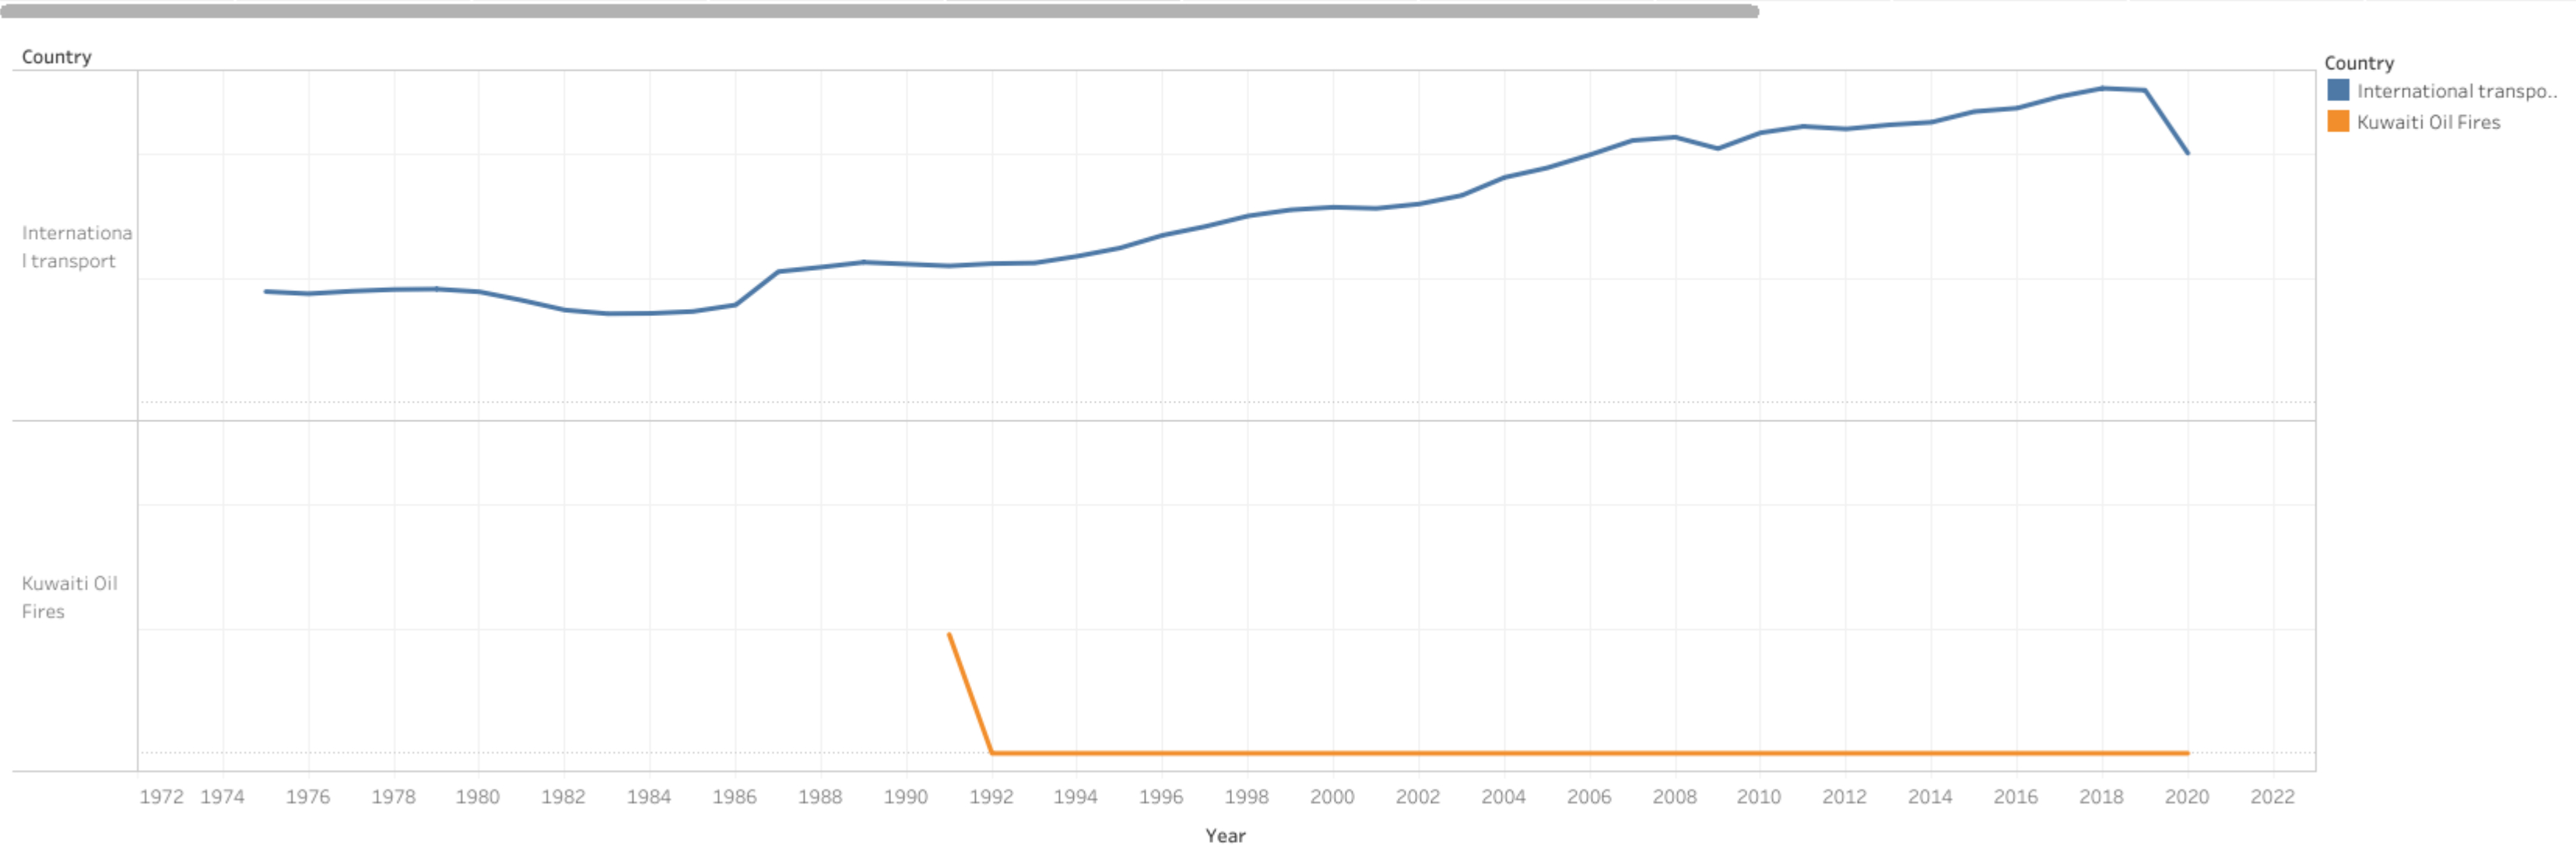

Summary

Countriess Emitting Highest Co2	Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to Other Industry..
---------------------------------	--------------------------------------	----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	--

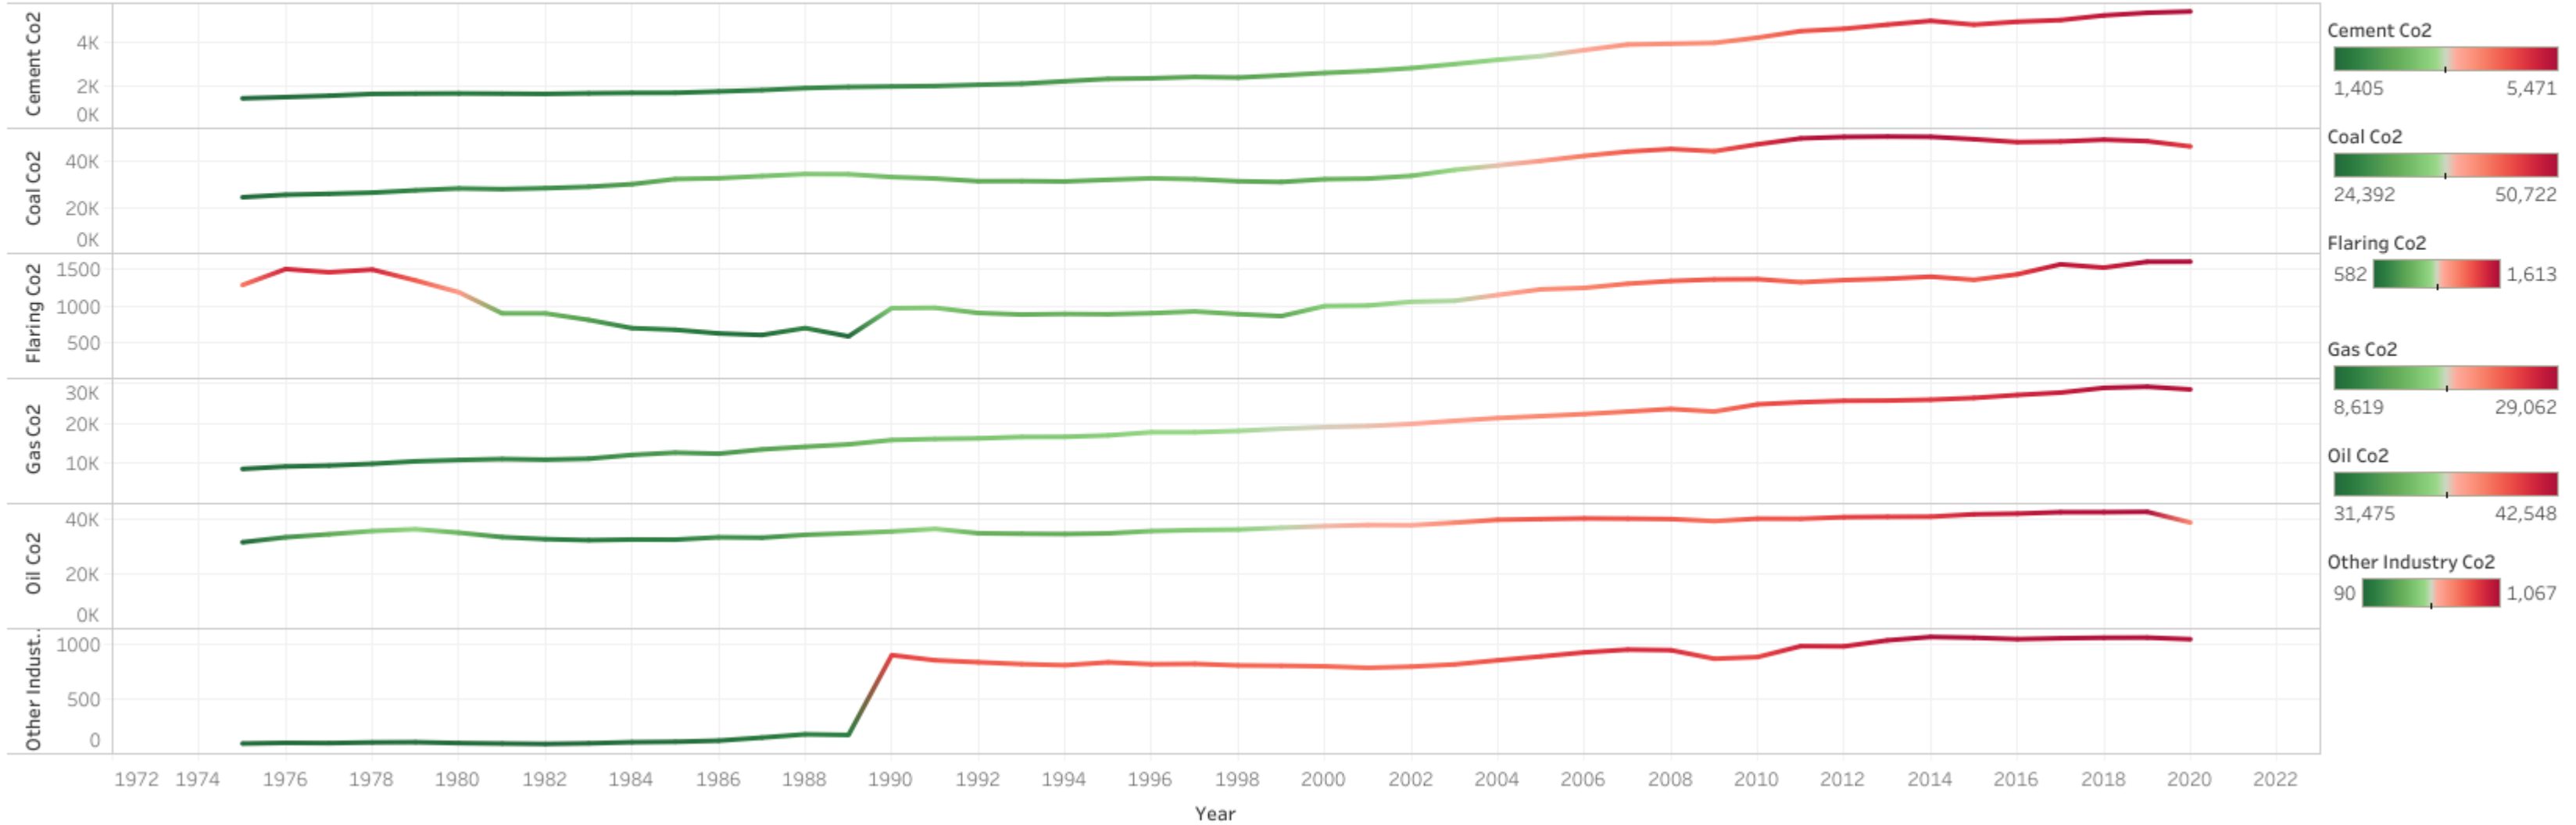

Summary

Countriess Emitting Highest Co2	Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to ..
---------------------------------	--------------------------------------	----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	----------------------------------

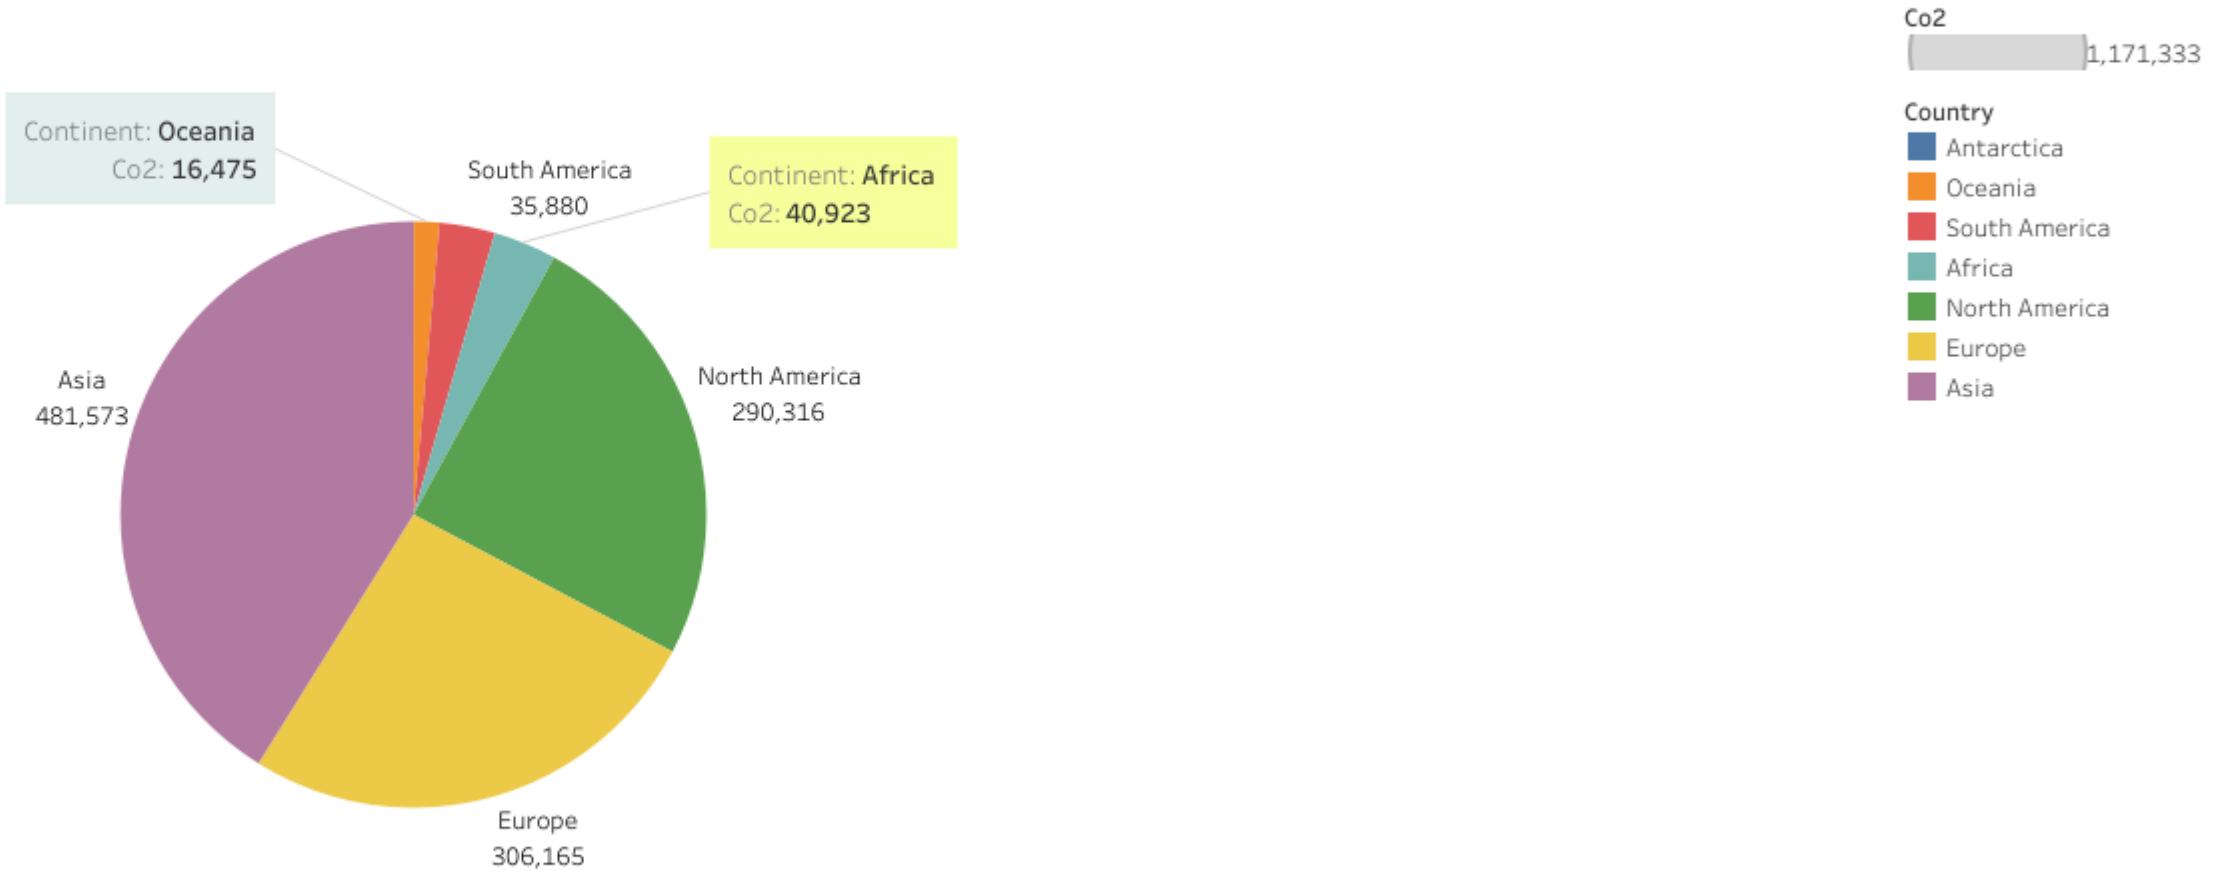

Summary

Countriess Emitting Highest Co2	Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to ..
---------------------------------	--------------------------------------	----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	----------------------------------

Summary

Countriess Emitting Highest Co2	Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..	Continent Contribution due to ..
---------------------------------	--------------------------------------	----------------------------------	--------------------------------------	--------------------------------------	--	---	---	--	--	----------------------------------

Summary

Countriess Emitting Highest Co2	Total Co2 Emission from 1975 to 2020	Total Co2 Emission by Continents	Co2 Emission due to Internal Factors	Co2 Emission due to External Reasons	Continent Contribution due to Coal Co2 Emiss..	Contient Contribution due to Cement Co2 E..	Contient Contribution due to Gas Co2 Emissi..	Continent Contribution due to Flaring Co2 Em..	Continent Contribution due to Oil Co2 Emissi..
